MEMORANDUM FOR THE RECORD

SUBJECT: OTA Contact

1. On receipt of the attached request from Mr. Daddario, I determined that what is desired is a general talk between Mr. Cordaro and Mr. Wilcox of OTA with CIA analysts on world food problems. Mr. Cordaro and Mr. Wilcox are preparing for some hearings to be held by Senator Hubert Humphrey, who is a member of OTA's Technology Assessment Board. They would like to float their ideas and get our reaction.

2. I am arranging for them to meet sometime between 2 and 5 September with [redacted] and [redacted] of the Life Sciences Division of OSI, who are concerned with agrotechnology and food problems.

Dear Mr. Morfit:

Mr. J. B. Cordaro and Mr. Walter Wilcox are currently working on OTA's food assessment program. It would be useful, I believe, if they could have an opportunity to meet with you within the next week or ten days.

If this is convenient, please let me know.

Sincerely,
